It should be noted [redacted] advised that he had devised a plan to aid the US government in a rescue operation to recover the live MIA's and their families. However, prior to the interview, [redacted] telephoned FBI PH. During the conversation, he told the SA [redacted] wanted to return to Cambodia, and was looking for a job (either with the US Government, or in Cambodia. Both individuals appeared to be stable, but [redacted] was particularly interested in making himself anonymous. [redacted] described himself as a friend of [redacted] but beyond that ventured little information. He did, however, identify himself as a former American serviceman who served [redacted] in the Vietnam war [redacted]

[redacted] advised [redacted] first brought the remains to a US Congressman ANDREWS (not further identified) in April, 1991. They said that they met with Andrews and other US Government representatives (names not recalled). [redacted] said that the Congressman assured him that the remains would go to Hawaii for further examination. [redacted] said that they haven't received any further word as to the disposition of the remains.

It should also be noted that [redacted] offered to provide remains to the SAs and other pertinent information which they had not brought with them. FBI PH will advise FBI HQ upon receipt, if any, of the aforementioned material under separate cover.

American Prisoners of War (POW)

This communication is classified "~~SECRET~~" in its entirety.

On January 9, 1992, [redacted] provided information to Special Agents of the FBI relating to remains and dog tag tracings of three MIAs, and the sighting of at least three live Americans. T-1 said that the Americans were "hiding in deep woods" in Vietnam in an area four hours (approximate) away from the Cambodian province of RATANAKIRI (circled area on map, attached).

[redacted] said that a friend (not further identified) knew the exact whereabouts of the Americans, and could provide remains of other MIAs which were found in the surrounding area. T-1 advised that the live Americans are not POWs, but are living in hiding. They are described as "big and healthy", and well fed. They have married ethnic Vietnamese and have families. T-1 advised that the SRV Government does not know of the existence of the Americans, and that they are known to only a few trusted individuals located in the remote area where they live.

[redacted] advised that the Americans would like to return to the US, but are afraid to reveal themselves to any one. Furthermore, escape with their families would be cumbersome, and dangerous. [redacted] is of the opinion, however, that he can obtain Cambodian visas for all of them, and can escort the Americans across the Cambodian interior to the Gulf of Thailand. There, relatives of T-1 can transport the Americans by boat to Thailand.

This information had previously been provided to the
Special Office for POW/MIA, Defense Intelligence Agency, The
Pentagon, Washington, D.C., by our letter dated February 8, 1990.

Mr. George E. Atkinson, Chief
Missing Persons and Inquiries Division

Note:

The DIA Special Office for POW/MIA, at the Pentagon, Washington, D.C., is the principal agency of the U.S. Government responsible for following up on reports of U.S. servicemen who are listed as POW's or MIA's as a result of the Vietnam War. There are approximately 2,300 U.S. servicemen listed as MIA. The FBI acts as a facilitator and has supported the DIA when matters involving reports of missing U.S. servicemen surface as a by product of our FCI-SRV investigations. DIA has advised that as a matter of public law and Department of Defense policy, all information which correlates to an individual listed as MIA must be released at some point to the next of kin.

This letter responds to a request from the U.S. Air Force who are following a suggestion made by DIA that a sanitized version of an earlier report be made available to the next of kin. The Air Force is furnished a sanitized summary of the earlier reports provided to DIA and granted authority to pass the information to the families.

DIA has advised that both BANKOWSKI and MATTESON have been the subjects of other "dog tag" reports in the past, wherein each source or sub-source claimed to have the original dog tag, remains, or other identification media.

This matter has been coordinated with FBI Philadelphia, who has granted local concurrence and acquired the permission from [REDACTED] to pass the information and be contacted by the next of kin.

On November 18, 1991, Mr. William Frampton, Department of the Air Force, Randolph Air Force Base, Texas, telephone number (512) 652-3752, was telephonically contacted and was advised that a response to his request was forthcoming.

During the past year, I have initiated liaison with the POW/MIA Office at the Pentagon. This liaison contact proved very timely in light of the national publicity associated with the POW issue.

The benefits accrued to the FBI include the following:

- o Introduction of INTD to POW/MIA Office and improved coordination re: Vietnamese Intelligence Service.
- o Improved coordination between POW/MIA Office and FBI Lab concerning POW identification re photographs, bone fragments, dog tags, etc.
- o Positive publicity for the FBI on Capitol Hill re FBI assistance on POW issue.
- o Improved relations with DIA since POW/MIA at Pentagon is a satellite office of DIA.

The attached teletype represents an effort to collect positive intelligence on POWs.

Above for your information.

Furthermore, questions have been asked about

Although Special Forces groups conduct covert operations, it is not normal standard operating procedures for Special Forces to act without a direct order from the President of the U.S.

It is believed through these phony documents are preying on the weakened emotional state of the minds of the MIA/POW families by attempting to obtain fraudulently funds from the MIA/POW families. It has been found that the MIA/POW families are willing to expend any amount of monies to recover their lost family members and do so without any thought as to the authenticity of the information being provided to them.

Honolulu is conducting no further investigation into this matter.

Honorable George P. Shultz
The Secretary of State
2201 C Street, N.W.
Washington, D. C.

Dear Mr. Secretary:

Information about American Prisoners of War has come to my attention and I thought it should be promptly passed along to you.

Representatives of the FBI's Disaster Squad were recently returning from an assignment in Burma and they had a stopover in Bangkok, Thailand. During discussion with one of our representatives, [REDACTED]

[REDACTED] commented that he was convinced American Prisoners of War were still being held in Southeast Asia. He said he based this belief on the fact that refugees crossing the border from Laos into Thailand have reported numerous citations of American Prisoners of War. [REDACTED] is assigned to the Royal Thai National Police in Bangkok, Thailand.

I have forwarded this same information to Secretary Carlucci at the Department of Defense for his information.

Sincerely yours,

William S. Sessions
